

## **Associate of Arts Biblical Studies Degree Program Overview (60 Credit Hours)**

The two-year **Associates of Arts Degree in Biblical Studies** program at Reid Temple Bible College is an attractive course of study because it gives students an Associate of Arts degree they can use as a qualification for some employment opportunities or as a basis for pursuing a Bachelor's degree at another college, and especially upon accreditation of the program. This concentration of Bible, Theology, and Practical Life courses prepares students for successful Christian living and for effective service in their local churches, community, and globally.

The **Associate of Arts Degree** program is ideal if you do not know yet where the Lord is leading you or you plan to transfer to another college or university for further training. This program will prepare you for life and service for Christ no matter what you do.

### **Biblical Studies Degree Program Outcomes**

Students who complete the Associate of Arts Degree in Biblical Studies will be able to:

1. Identify the contribution of each biblical book.
2. Identify the relevance of major biblical characters and doctrines in a modern-day context.
3. Demonstrate understanding of the relationship between Old and New Testaments and how they collectively reveal God to mankind.
4. Integrate the truths of Scripture into life situations.
5. Describe the importance of the Holy Spirit in the life of the believer.
6. Prepare students to transfer and attend a four-year institution.
7. Communicate effectively in both oral and written skills

### **Biblical Studies Degree Program Learning Objectives**

All students enrolled in Reid Temple Bible College will:

1. Identify the contribution of major biblical books, characters, and doctrines.
2. Describe the relationship between Old and New Testaments and how they collectively reveal God to mankind.
3. Integrate fundamental truths of the Bible into life situations.
4. Describe the importance of the Holy Spirit in the life of the believer.
5. Gain an academic Biblical worldview to effectively equip, lead and serve in ministries of the Christian faith to local and global communities.
